

A young boy with short brown hair and blue eyes is looking directly at the camera. He is wearing a dark t-shirt and is positioned in front of a computer monitor. The room is very dark, with most of the light coming from the screen of the computer. The boy's face is illuminated by the glow of the screen.

untangling the web

keeping children safe
in a wireless world

Dr. Todd Stanfield

Let's talk about...

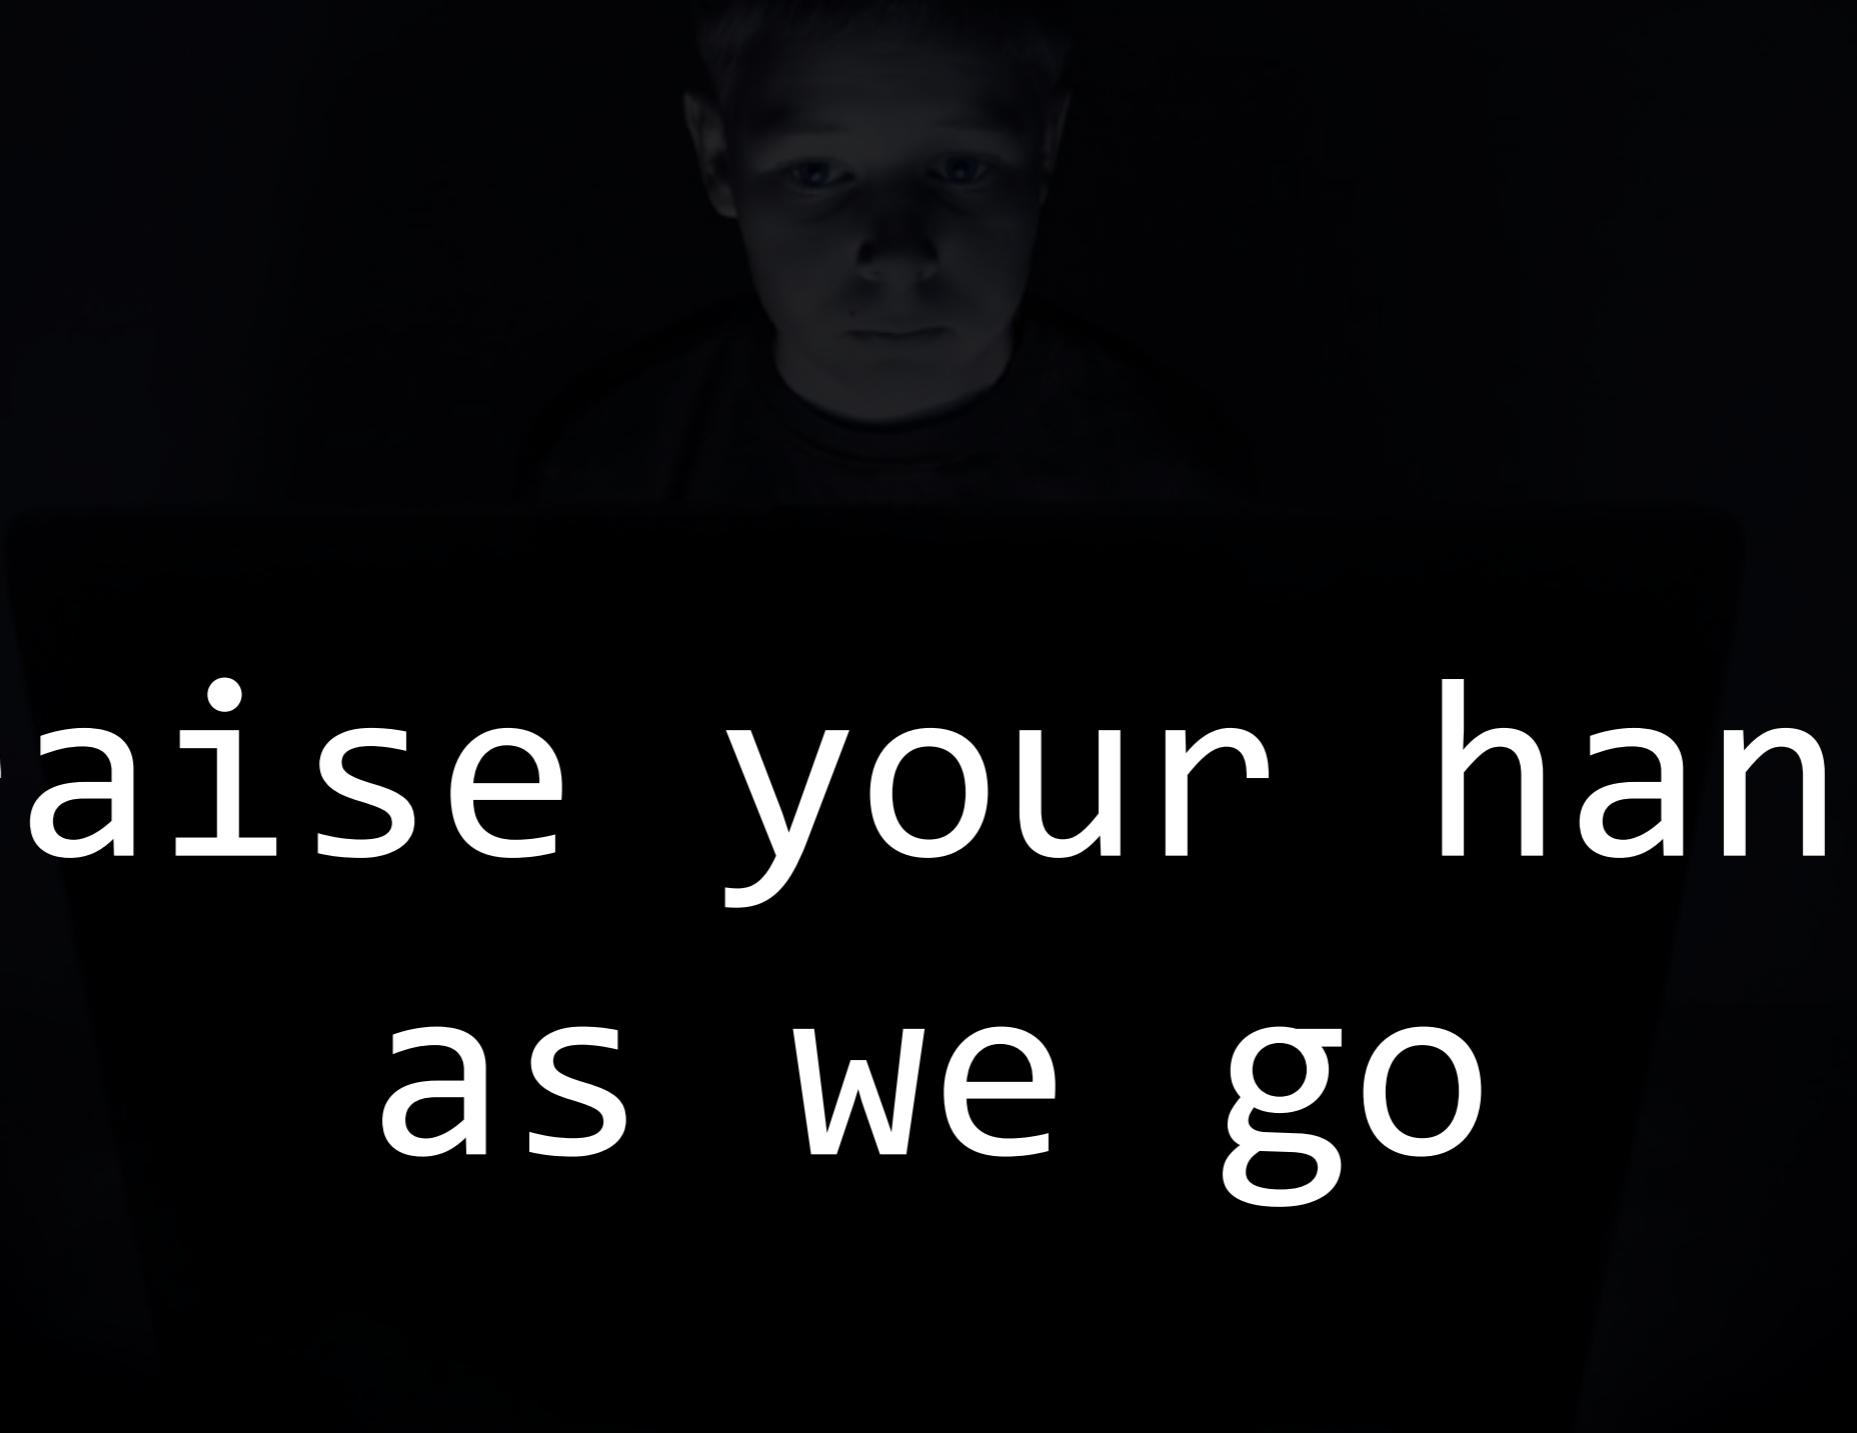

it's everywhere

variety of formats

helpful & harmful

practical tips for your family

Let's talk about...

raise your hand
as we go

it's everywhere

what is it?

what is it?

the internet

is basically a large network
of smaller networks made up
of connected computers

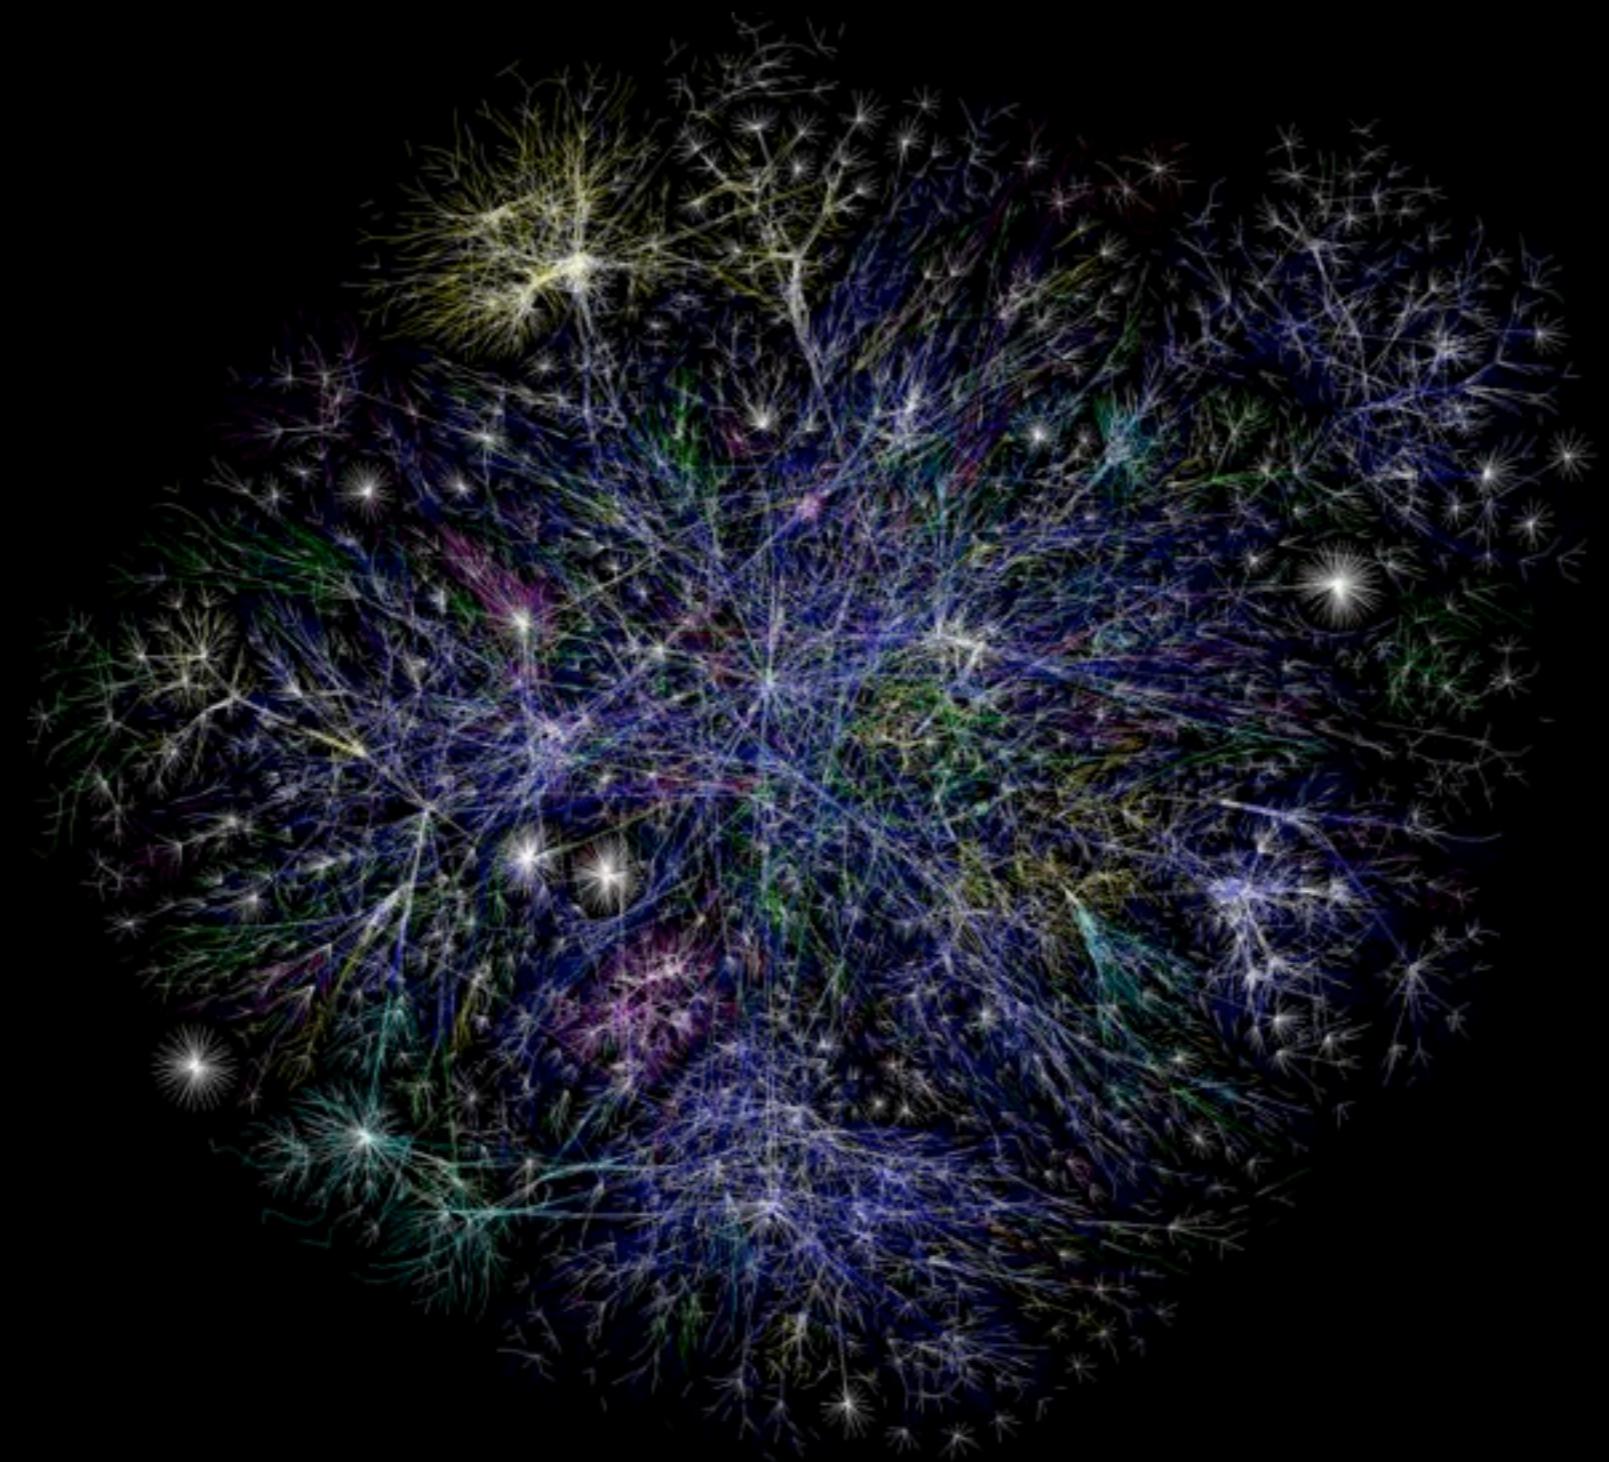

A dark, low-light photograph of a person from the chest up, sitting at a desk and looking down at a computer monitor. The monitor is brightly lit, casting light on the person's face and the desk area.

W W W ?

world-wide-web

is just one aspect of the
internet

the way we use **browsers** to
connect to web pages

you got the whole world
in your house

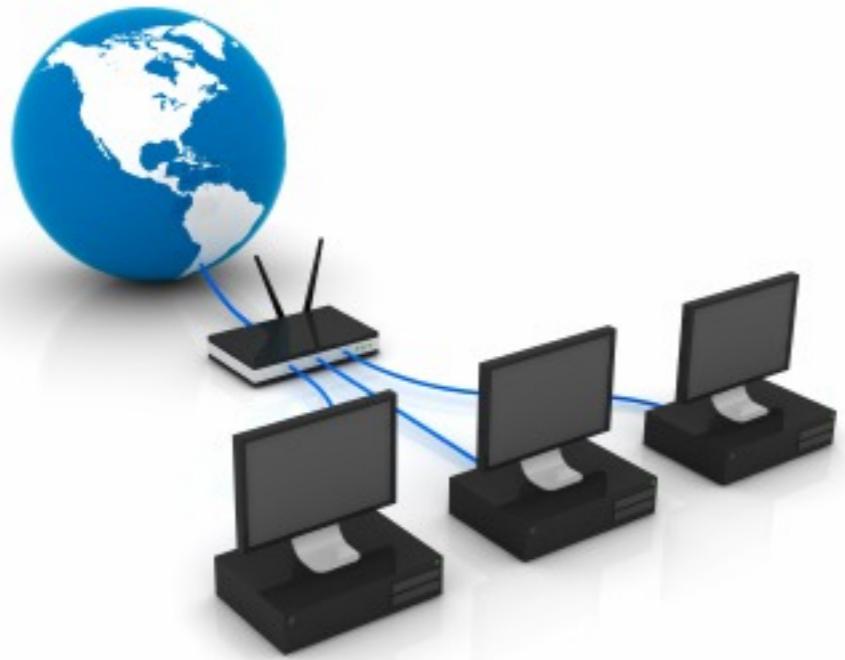

it's a tool

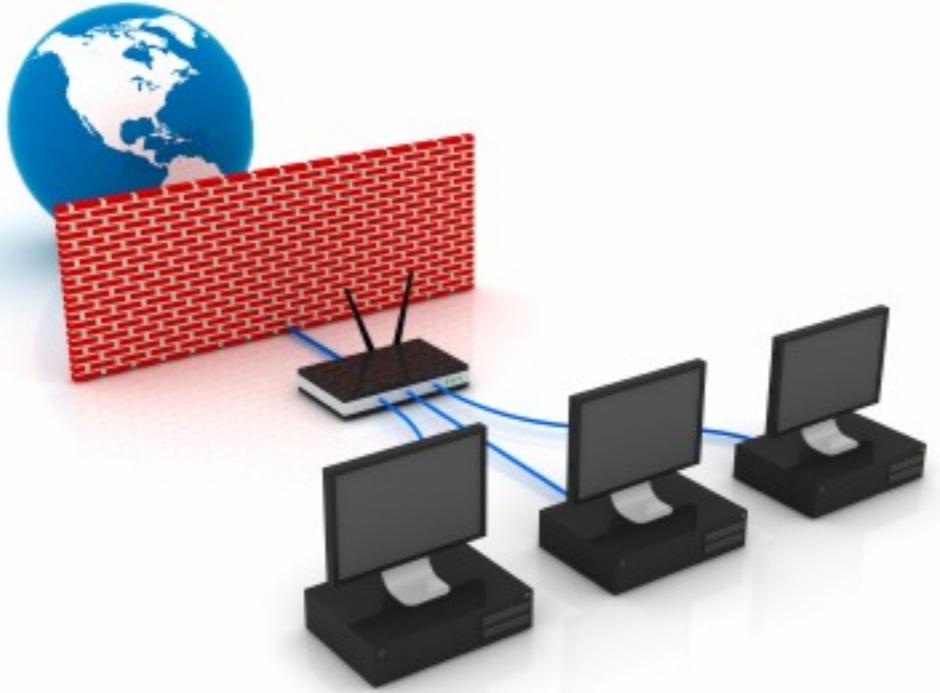

one laptop per child (olpc)

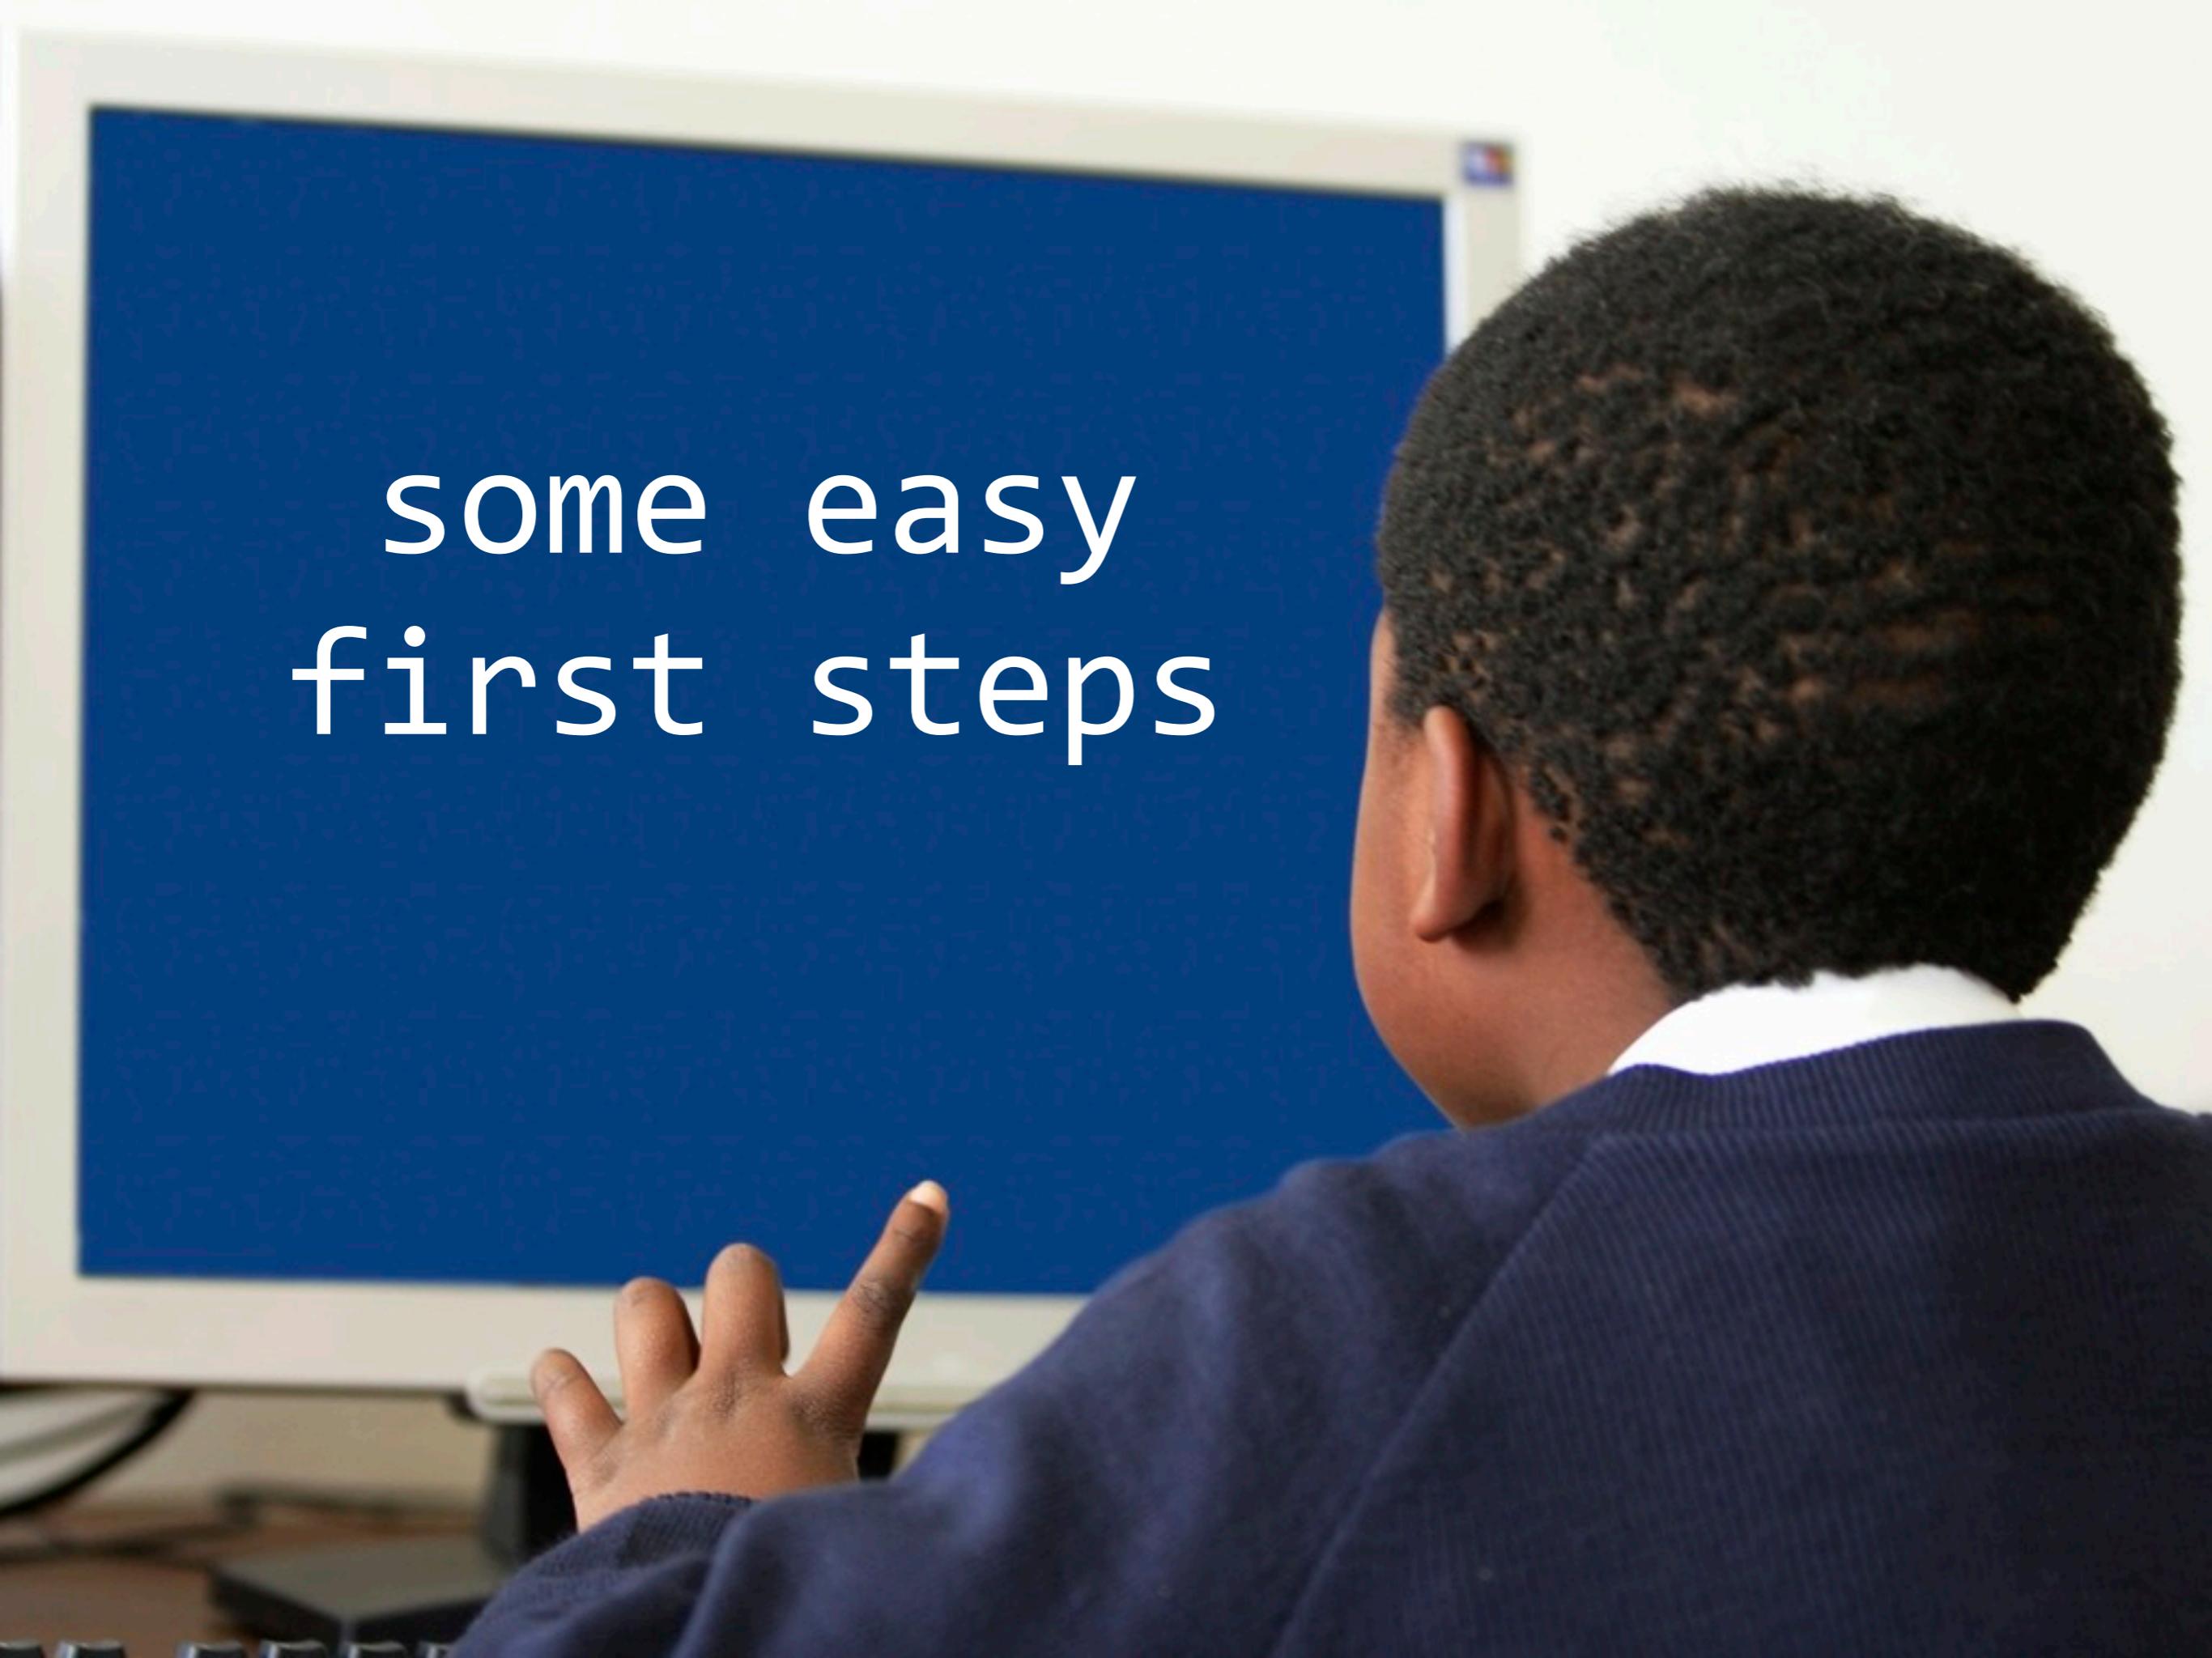

you got the whole world
in your house

what gets in (and out)
and what doesn't?

some easy
first steps

A young boy with dark skin and curly hair is shown from the back, wearing a dark blue corduroy jacket over a white collared shirt. He is looking down at a computer monitor. The monitor displays a blue background with a subtle digital grid pattern. In the top right corner of the screen, there is a small, colorful logo consisting of four squares in red, yellow, green, and blue.

talk to your
children
about the
internet

develop a
family
internet
safety plan

be careful
with personal
information
(pics & passwords)

A young boy with dark skin and curly hair is shown from the back, wearing a dark blue corduroy jacket over a white collared shirt. He is looking down at a computer monitor. The monitor displays a blue background with white text that reads: "do not meet someone in person you have only met online".

do not meet
someone in
person you
have only met
online

talk about
access
elsewhere
like friends
& library

give them
permission to
have a safe
discussion
with you

wired

wireless

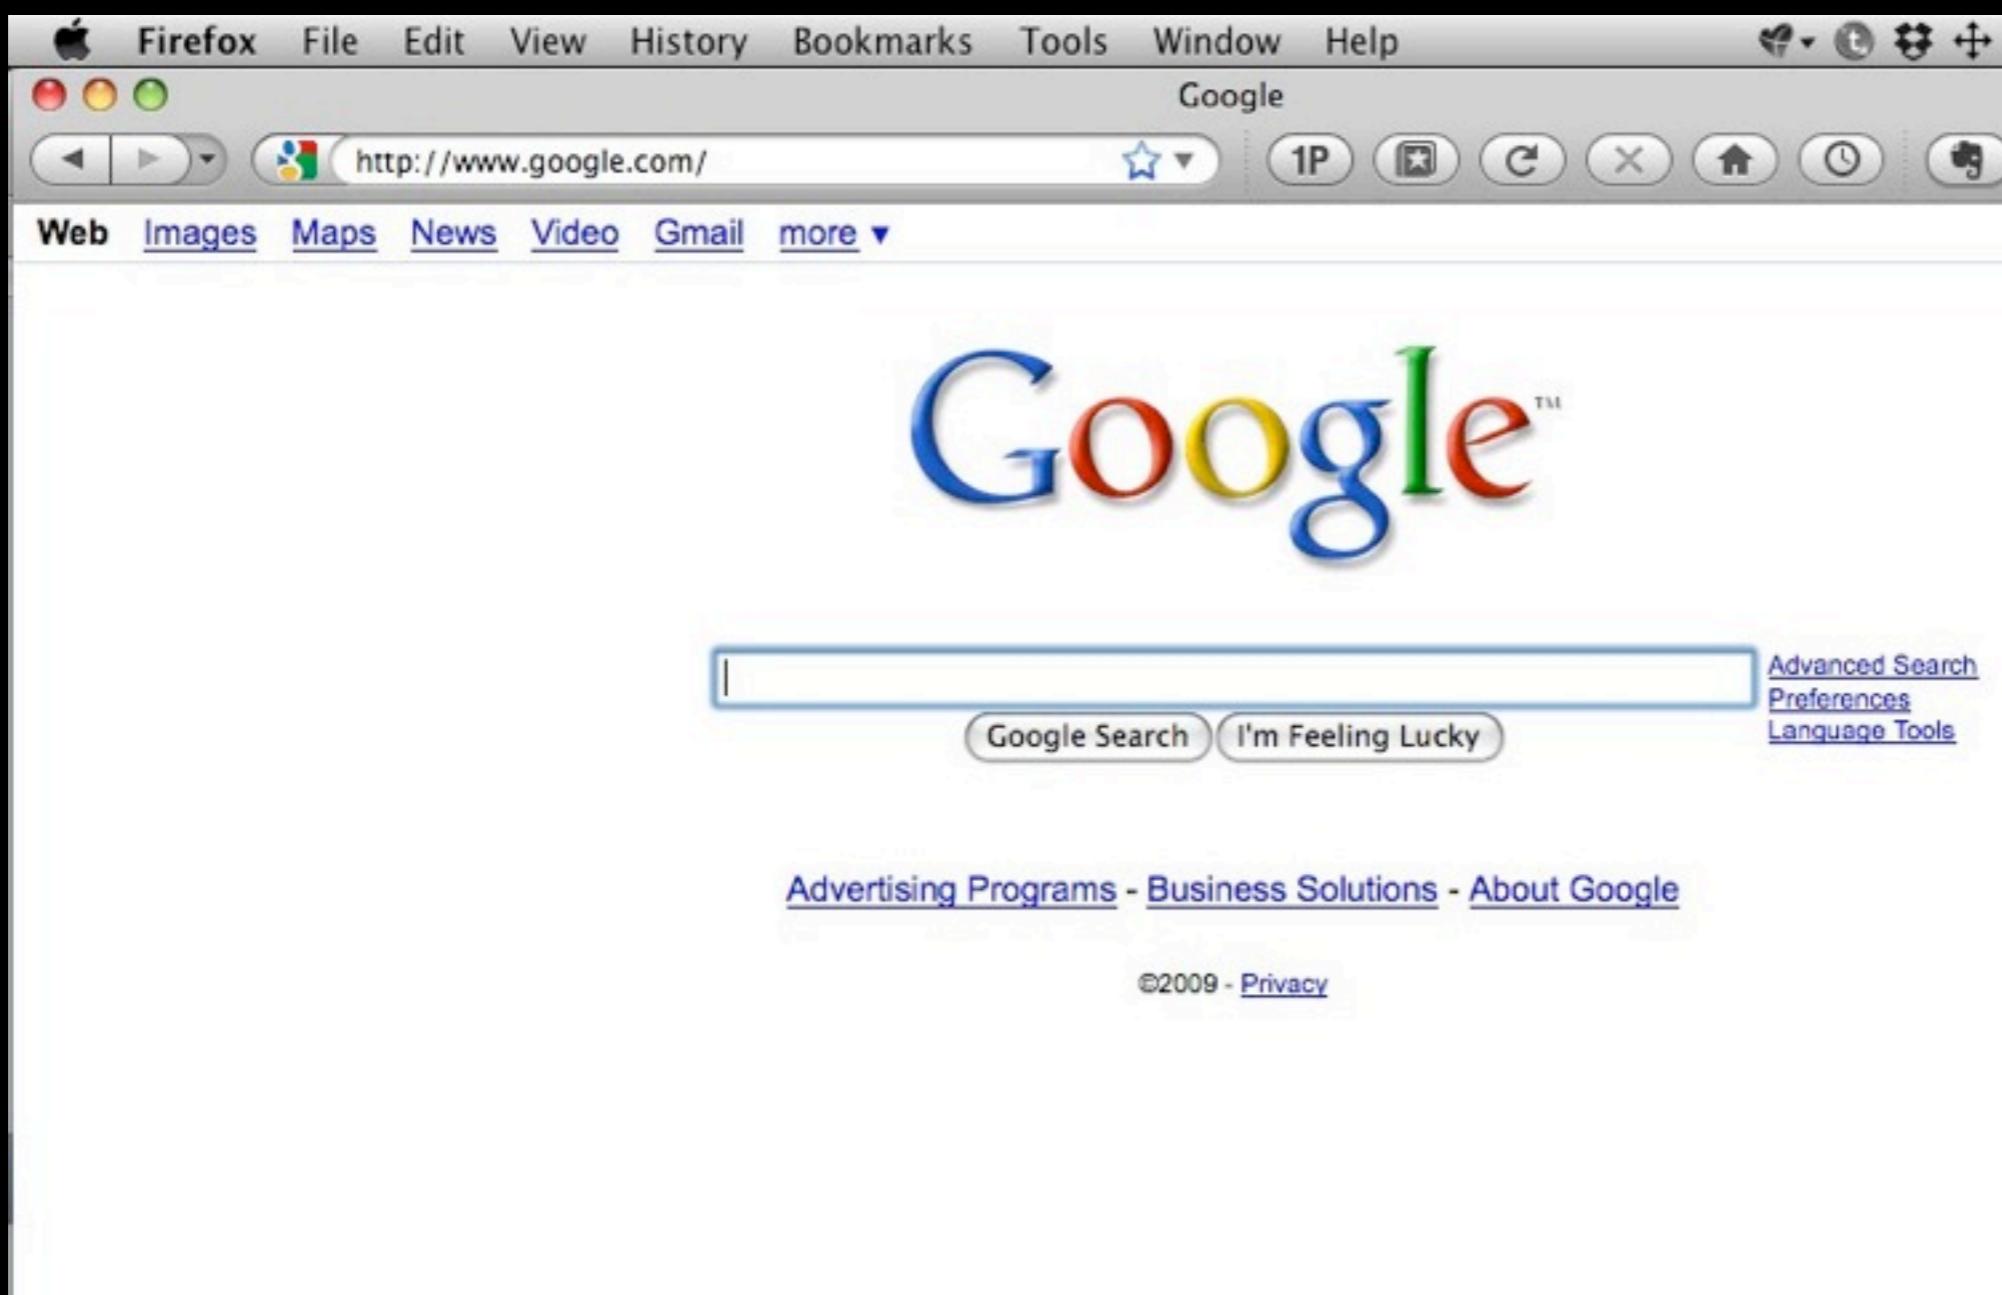

A photograph showing the back of a person's head and shoulders. The person has dark hair and is wearing a dark blue corduroy jacket over a white collared shirt. They are seated in front of a computer monitor, which displays a blue background with a grid pattern. The text "put your computer in a central location" is overlaid on the blue background of the monitor.

put
your computer
in a
central
location

browse with
your child

Library

The screenshot shows a Mac OS X application window titled "Library". The window has a standard OS X title bar with icons for zooming and closing. Below the title bar is a toolbar with icons for back, forward, settings, and a search field labeled "Search History". On the left side is a sidebar with three items: "History" (selected), "Tags", and "All Bookmarks". The main area is a table view with columns labeled "Name", "Tags", and "Location". A message "No items" is displayed at the bottom of the table view.

The KidZui website features a large, colorful logo with the word "KidZui" in a stylized font, where each letter has a different color. Below the logo, the tagline "The Internet for Kids" is displayed. At the top right, there is a "Login" button. A navigation bar below the logo includes links for "Home", "Download", "Learn More", and "Help". On the left side, there is a sidebar titled "EXPLORE" with categories like Homework Helper, CoolStuff, TV and Movies, Science, Games, Awesome Stuff, Characters, Animals, and Sports. The main content area shows a search result for "Bedtime Stories: Let It Snow", which features a cartoon guinea pig. To the right of the search result, there is a "COMMUNITY" section showing a list of users who are currently online.

28 NOV Podcast #4: Content and Filtering

Posted by cknutson as [Podcasts](#)

[AUDIO MP3](#) Podcast #4: Content and Filtering [33:34m]: [Hide Player](#) | [Play in Popup](#) | [Download](#)

In this show, Dr. Charles Knutson and Joe Brockbank continue their discussion of online content and filtering.

How do you control access to online content for your family? Chuck and Joe address filtering principles, access control mechanisms, reporting mechanisms and parental involvement.

We want to thank our musical guests Jake White and Michael Kelsey.

A huge thank you [...]
