

Blackboard Learning System—Campus Edition 8 Union University’s tool for online courses

How do I log in?

To access Union’s Online course management system, go to: eclass.uu.edu

Your username & password are the same as used for other university systems such as WebAdvisor and the library databases.

To reset your university password, go to: uu.edu/it , then under Quick Links, click on “Change my password”

If you are unsuccessful in resetting your password, contact the IT Helpdesk : 731-661-4357

When can I access courses?

Student access to a Blackboard course will begin on the official course start date.

Student course access will be removed seven (7) days after the official course end date.

How do I get help with Blackboard questions?

Use these resources:

- ⇒ For first-time use on your personal computer, go to Blackboard and click on “Check Browser” at the top right of the window. This checks your computer’s browser, cookie settings, Javascript settings, pop-up blockers, and Java version.
- ⇒ Turn off the pop-up blocker on your computer to allow pop-ups for this site.
- ⇒ Context-sensitive help is found within Blackboard.

If you are taking a fully online class, you must log into your course on the first day of class!!!
